Let it Go (from Frozen)

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation, and it looks like it’s for me  
The wind is howling like the swirling storm inside  
Couldn't keep it in; Heaven knows I've tried

Don't let them in, don't let them see  
Be the good one you always have to be  
Conceal, don't feel, don't let them know  
Well now they know

Let it go, let it go  
Can't hold it back any more  
Let it go, let it go  
Turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway

It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all

It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me, I'm free!
Life’s a Happy Song (from The Muppet Movie)

Everything is great, everything is grand
I’ve got the whole wide world in the palm of my hand
Everything is perfect, it's falling into place, I can't seem to wipe this smile off my face
Life's a happy song, when there's someone by my side to sing along

When you're alone, life can be a little rough
It makes you feel like you're 3 foot tall
When it's just you, well, times can be tough
When there's no one there to catch your fall

Everything is great, everything is grand
I’ve got the whole wide world in the palm of my hand
Everything is perfect, it's falling into place, I can't seem to wipe this smile off my face

Life's a piece of cake, with someone to give and someone to take
Life's a piece of pie, with someone to wash and someone to dry
Life's an easy road, with someone beside you to share the load
Life is full of highs, with someone to stir and someone to fry
Life's a leg of lamb, with someone there to lend a hand
Life's a bunch of flowers, with someone to while away the hours
Life's a filet of fish…Yes, it is!
Life's a happy song, when there's someone by your side to sing along

I've got everything that I need right in front of me
Nothing's stopping me, nothing that I can't be with you right here next to me

You've got everything that you need right in front of you
Nothing's stopping you, nothing that you can't do you that the world can throw at you

Life's a happy song when there's someone by your side to sing
Life's a happy song when there's someone by your side to sing
Life's a happy song when there's someone by your side to sing along
On the Back of an Eagle  By Nancy Telfer

I would fly on the back of an eagle
On a warm and windy day
From a place quite high in the clear blue sky
I would feel the air blowing through my hair...
And watch the sights below.

Fly eagle, fly eagle, fly eagle fly.

I would fly on the back of an eagle
On a warm and windy day
From a place quite high in the clear blue sky
I'd remember a song from a time long gone...
And touch the clouds floating by.

Fly eagle, fly eagle, fly eagle fly.

I would fly on the back of an eagle
On a warm and windy day
From a place quite high in the clear blue sky
I would look to see what is yet to be...
And laugh with the sparkling sun.

Fly eagle, fly eagle, fly eagle, fly.
Fly, eagle, fly!
